5/5 Robert Fast and exact import of data from Excel, Access, Word, CSV, etc. without typing every field and record name. I've used it for importing data from other databases, and from Excel, Access, Word, CSV and SQLite without problems. Very fast import, and every user can configure settings without IT help, thus creating easy to use software. Category Archives: News I just saw the movie "The Five Year Engagement" and it really was a great movie. The story of Ross (Jason Segel) and Emily (Emily Blunt) is a classic "Journey to the Center of the Heart" and it was a great movie. I like how it ended, but not because I'm in a bad mood or anything. I like the way the movie ended because it reminded me of... "The Notebook." Yep, that's right, the movie "The Notebook" is just like this movie. The movie "The Five Year Engagement" reminds me of "The Notebook" in a way that I didn't even think about it and it's kind of a surprise. "The Notebook" "The Notebook" is about two lovers that meet when they're adults and fall in love, even though they're both married. The movie is about two people that
